Dear All,

The Xlokk Action group Foundation announces that it is launching a call for application for Action413.A2 under Axis 4 LEADER. This action will help to provide the necessary equipment and processing methodology to the stakeholders, leading to the setting up of a shop window. The main beneficiaries eligible for this action will be the Local and business Community. This Action forms part of the XAGF's Local Development Strategy. For this Call of applications, public funds with a total of €62,500 have been allocated. Only Local and Business Community within XAGF's territory can apply for this action. Beneficiaries will be granted up to 80% financial assistance should the proposed investment be selected. This call will open on 3rd September 2013 and will close on 4th October 2013, 12:00pm.

Attached please find both the application form and the guidelines regarding this measure.

Applications must be submitted by hand to the offices of XAGF at 269, Main Street, Qormi by the 4th October 2013 - 12:00pm. More info may be obtained either by phone or by e-mail. Applications and guidance notes can also be downloaded from www.galxlokk.com

Please forward this e-mail with the documents attached to any interested or eligible beneficiaries either from your respective localities or from any other business community

Thanks & Kind Regards
